However, the RCRA Program is enclosing a Compliance Monitoring & Enforcement (CM&E) Report which may be helpful to you. The CM&E Report shows any violations or enforcement actions concerning facilities within the zip code of interest.

Our search for records is based primarily on the information you provide. In order to complete searches for locations in another zip code that are either adjacent to, or within one mile of the above-mentioned property, we will need additional zip codes or property addresses. Kindly submit the additional information in a FOIA request format, to Richard Van Holt, Freedom of Information Act Officer, at the above address.
